

DIARY NOTES

Executive Director-Comptroller

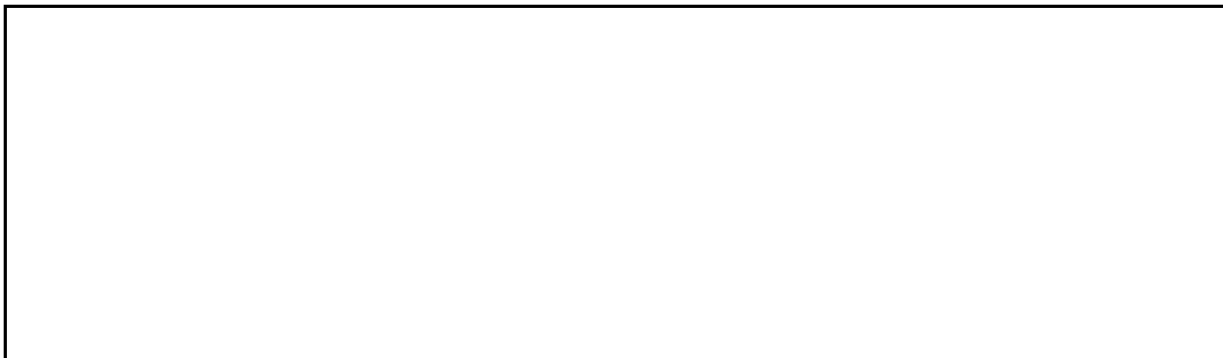

14 September 1965

1. I asked Desmond FitzGerald for two examples of Clandestine Services research on foreign areas which Dick Helms might use in discussing this matter with Tom Hughes of the Department of State.

2. John Bross and Ray Cline have reported that their meeting with Joe Carroll on COMOR generally and on the Joint Survey of Photographic Exploitation Facilities specifically went very well. Secretary Vance has designated Joe Carroll as the point of contact in the Department of Defense for the Joint Study.
